Circul-Aire Portable Odor Test Kit

BE THE FIRST TO IDENTIFY THE SOLUTION FOR YOUR CLIENT'S UNPLEASANT ODOR PROBLEMS!

CIRCUL-AIRE'S Odor Removal Show Display and its **Portable Odor Test Kit** are unique rep tools that offer the quickest method to zone in and diagnose offending or unpleasant odors. These Odor Test Kits are ideal for an immediate diagnosis and are available in two formats for either on-site and customer visits, or for trade shows and/or seminar displays.

Passing the client's odor agent through different chemical filter bed columns and using your own sense of smell will easily determine the best type of **MULTI-MIX®** chemical filter media to eliminate the odor.

The **Odor Test Kits** are compact, lightweight, easy to manipulate, low maintenance, and come complete with step-by-step instructions. The portable format is suitcase-type, easy to carry or store in your luggage, measuring only 18 inches x x x .
